

Vaccines

Here is some important information picked up from different articles in order to clear up some of the confusion of what Our Children could receive from the day *They Are Born* in hospitals and on through their childhood years. Once you finish this and check out the sites you will be glad there are options.

FYI: Doctors give babies their first shots, "Hepititas B", the first day they are born.

According to the EPA guidelines, you would have to weigh 275 pounds to safely absorb the amount of poison in the hepatitis B shot all children are given. There's growing evidence that shows that a drug called Thimersal is to blame for the learning disabilities in children and adults. This drug is found in vaccines. The more vaccines kids receive the more autism, learning disabilities and lifelong illness develops. This drug is in fact mercury.

Ingredients in Vaccines:

Let's not forget to get all the added ingredients in vaccines, along with the MANY Dis-eases being put in their bodies, which are causing the body to attack itself (autoimmunity). Vaccines contain ingredients such as *antifreeze*, *phenol* (used as a disinfectant), *formaldehyde* (cancer causing and used to embalm), *aluminum* (associated with Alzheimer's disease and seizures), *glycerin* (toxic to the kidney, liver, can cause lung damage, gastrointestinal damage and death), *urine*, *fecal matter*, *lead and cadmium*, *sulfates*, *yeast proteins*, *antibiotics*, *acetone* (used in nail polish remover), *neomycin and streptomycin*. And the ingredient making the press is *thimerosal* (more toxic than mercury, a preservative still used in many vaccines, not easily eliminated, can cause severe neurological damage as well as other life threatening autoimmune disease).

These vaccines are grown and strained through *animal or human tissue, like monkey and dog kidney tissue, chick embryo, calf serum, human diploid cells* (the dissected organs of aborted fetuses), *pig blood, horse blood and rabbit brain*.

We all know someone with a form of autoimmunity such as: cancer, chronic fatigue syndrome, fibromyalgia, depression, schizophrenia, anxiety disorder, seizures, developmental delays, autism, ADD/ADHD, lupus, multiple sclerosis, Alzheimer's, Parkinson's, crohn's disease, OCD, arthritis, diabetes, ALS, IBS, Bi-Polar, lyme's disease, thyroiditis and many, many more! *Our bodies are being torn down and ripped apart from the inside out!*

Do not become a victim! Learn than decide! **Educate BEFORE you Vaccinate!!!**
